Foreign Trade Chamber of Bosnia and Herzegovina

Export Promotion Agency of Bosnia and Herzegovina

Who we are

Foreign Trade Chamber of Bosnia and Herzegovina (FTC B&H) is a non-governmental, not-for-profit association functioning with the aim to develop and improve economic relations of Bosnia and Herzegovina's economy with abroad. FTC B&H represents interests of its members, corporations and industrial associations before Government and international chambers of commerce, as well as before other economic associations and organizations. Main goals of the Chamber are to increase domestic production and exports from Bosnia and Herzegovina as well as to introduce the European Union and an international standards into the country's economic systems.

Bosnia and Herzegovina Export Promotion Agency (BHEPA) is a national agency operating within the Foreign Trade Chamber of Bosnia and Herzegovina. Primary role of BHEPA is to assist all B&H companies to develop and expand export markets by promoting products and capabilities of the country internationally. BHEPA's clients are primarily individual enterprises that want to start, increase or diversify their export activities.

What we do

FTC B&H has the mandate to develop and expand export markets by promoting products and capabilities of the country internationally. The Chamber has extensive experience in organizing Bosnia and Herzegovina National booths at international trade fairs abroad, managing b2b events with international partners, organising business educations and trainings and implementing business supporting projects. The Chamber also organizes the work and activities of its members through over 10 professional branch (sectorial) associations, issues export-related documents and provides information on foreign trade statistics and foreign market requirements.

Import promotion

"SIPPO is the Swiss Import Promotion Programme. It is a well-established mandate of the Swiss State Secretariat for Economic Affairs (SECO) with the overall objective to integrate developing and transition countries into world trade.

The programme aims at supporting Business Support Organizations (BSOs) to increase their export promotion capacity and service provision to export-ready companies. As a powerful tool in promoting sustainable trade, it is taking effect in 11 countries and 6 sectors: Fish & Seafood, Processed foods, Natural Ingredients, Technical Wood, Value-added Textiles and Sustainable Tourism. In Bosnia and Herzegovina SIPPO is working in Natural Ingredients, Technical Wood and Value-added Textiles sector. Thereby it enhances BSO member companies' performances and thus contributes to increased income and more and better jobs."

BELLISSIMA Ltd.

Who we are:

The Bellissima story begins back in 1997. Our main goal is to offer to the market the maximum price and quality ratio, taking into account the fashion needs and demands of the market.

What we do:

The focus of the activities is based in two pillars: ladies fashion and corporate fashion (uniforms). Our fashion creations are intended for business women who want to highlight their femininity, following follow trends. Our corporate collections are the ideal combination of fashion and functionality and cater for a wide range of different requirements. In addition to standard production technologies, we use technologies that are characteristic of the fashion industry, and taking care to ensure that the product is manufactured well in order to be able to be used for the purpose for which it is intended.

Products: Blazers, Trousers, Shirts, T-shirts, Blouses, Dresses, Skirts, Vest, Coats, Jackets, Sweaters and uniforms.

Services: OEM, ODM

KISMET Ltd.

Who we are:

Kismet Ltd was founded in 1994 as a family business, today producing fashion and work apparel. We have our own CAD-CAM system development (Gerber) along with a Gerber automatic spreading machine, dozens of modern sewing machines and an ironing machine with a capacity of up to 500 suits per day.

What we do:

Currently we are making men's suits using Italian technology and traditional wear. Our highly skilled team of designers and staff are capable of preparing almost any material for production. We have our own transport system exclusively designed for the transportation of textile goods for our frequent exports to Italy, Germany and Austria. We are very flexible and meet our customers' requests in the fastest possible production time.

Products: Men's suits, traditional wear (Lederhosen, Dirndl), kids' suits, shirts, ski apparel, polo shirts, skirts, dresses, coats.

PREVENT TRAVNIK Ltd.

Who we are:

Prevent Travnik Ltd is a company that is engaged in production of men's and women's clothing for foreign markets and top fashion brands. Due to the most modern equipment in this part of Europe, it is able to react to all requirements of customers. The most important export market is Germany.

What we do:

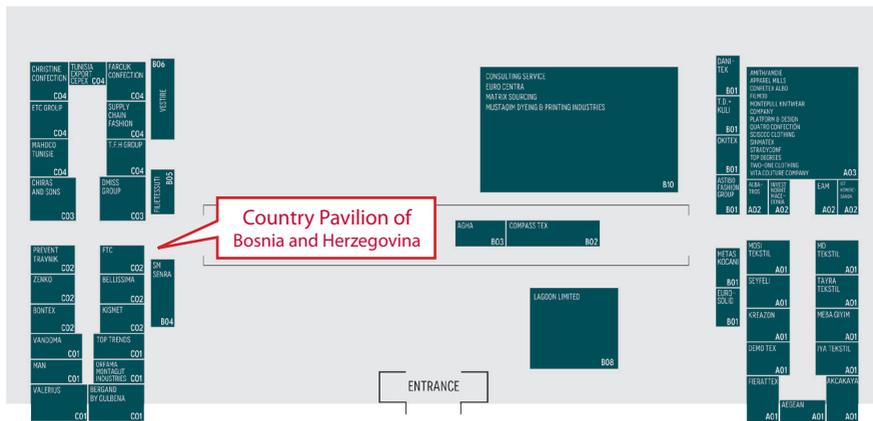

Our success is based on its flexibility in approach, quick response to incoming orders, readiness to invest in new projects and development as well as on its ability to maintain long-term partnerships. Through the policy of corporate social responsibility, "Prevent Travnik" pays special attention to the relationship with the local community, by participating in the development of society, social environment and promoting the collective good for the entire community. Guided by the vision and need to have a business dressing, "Prevent Travnik" has developed a domestic brand "Dresscode", offering men's and women's collections inspired by timeless fashion.

Products: suits, blazers, coats, jackets, coats, skirts, pants, dresses, shirts and long sleeve t-shirts
